

## Year 1 Homework Menu Term 6 2024-2025

### Maths

Practise sorting/ordering/counting coins:

<https://www.topmarks.co.uk/money/coins-game>

### Transitioning into Year 2

Write a fact file about  
yourself to give to your Year  
2 teacher.

### Phonics

Create a phonics hopscotch  
outside. Will you add sounds or  
words?

### Tapestry

Share photographs of a previous visit to the  
seaside – come prepared to talk about how you  
got there and what things you got up too.

**Topics title:**  
**Oh, I do like to be beside the seaside!**

### Reading

Look at the beach scene below and answer the  
questions.

### P.E

Practice throwing a ball into the  
air and catching it. Then try  
throwing it high and count how  
many times you can clap before  
catching it.

Challenge: clap your hands behind your back  
before catching the ball.

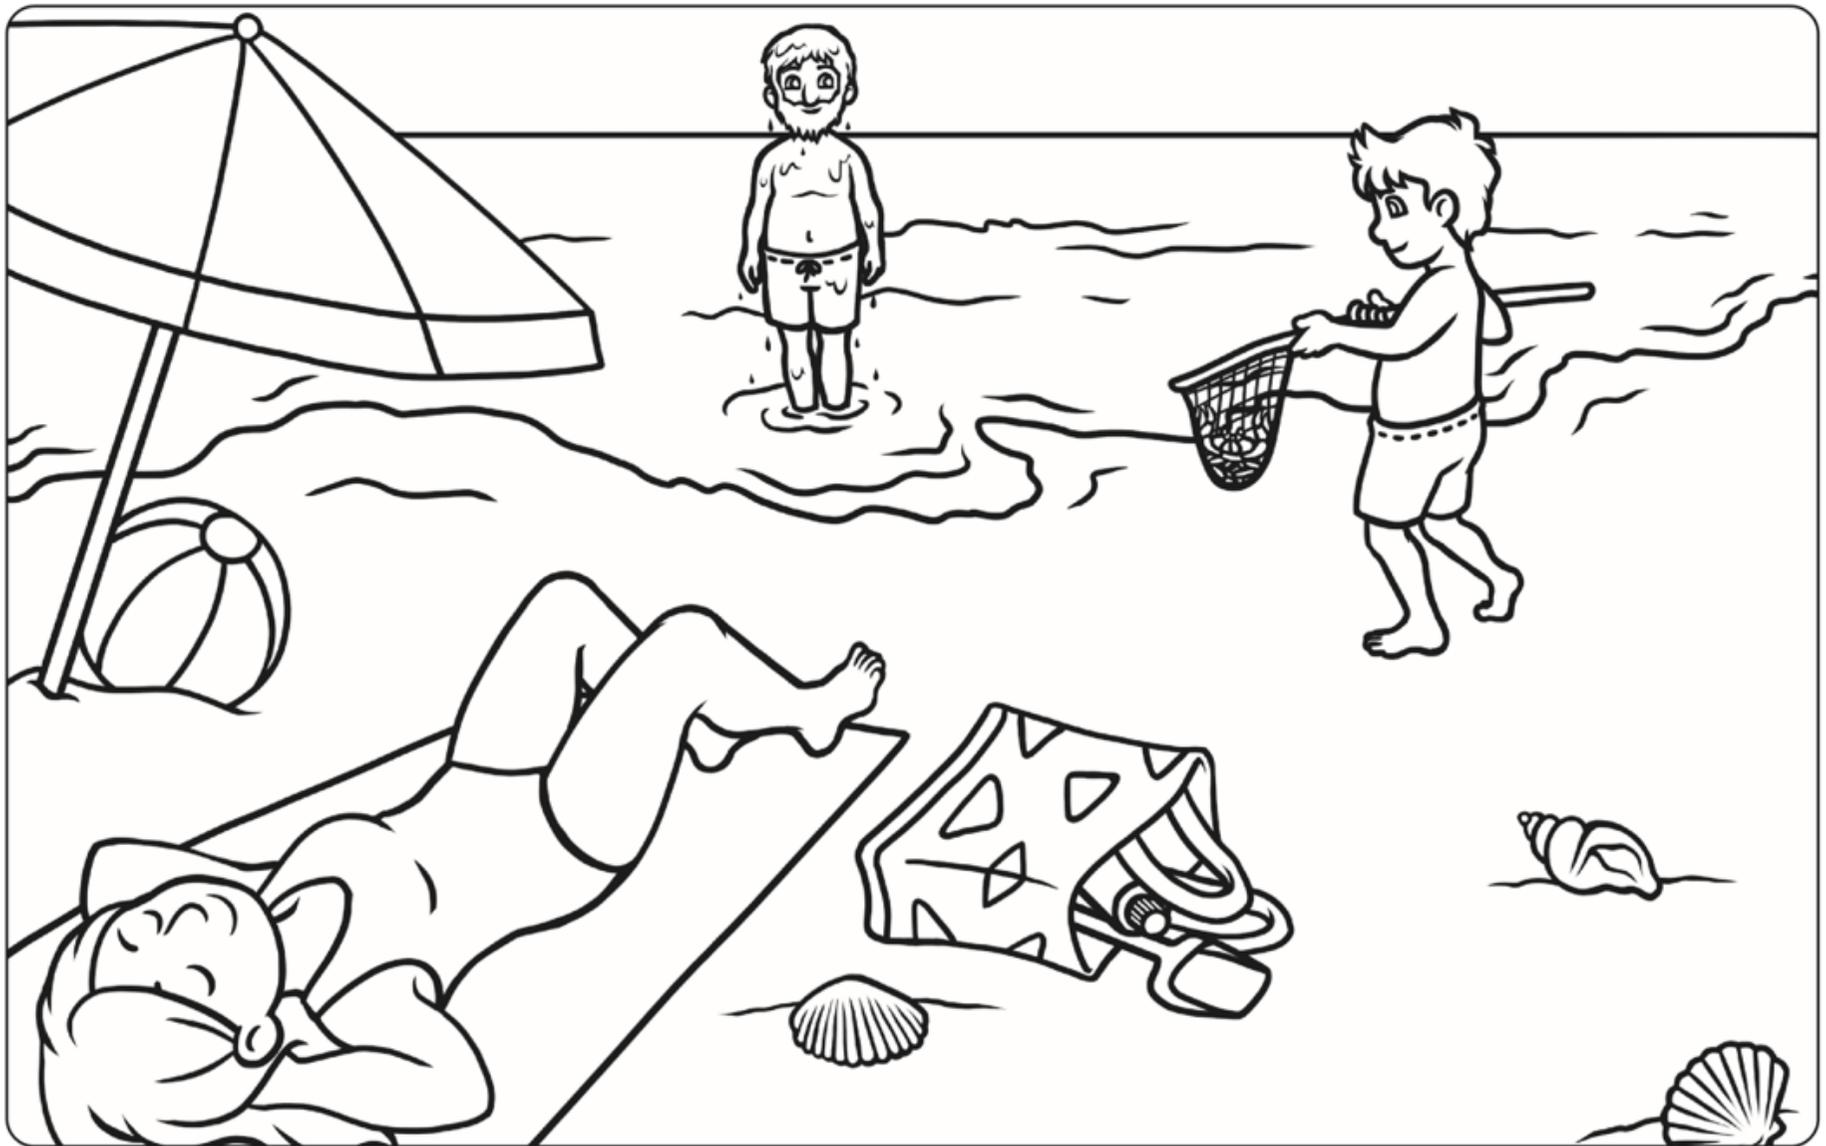

### Art

Create a seaside in a shoe box.

### Choose an activity:

- Create a sea creature from recycled materials (you could research the impact of plastic pollution!)
- Draw or make a repeating pattern of shells.
- Design or make a healthy picnic to take to the beach. What food could you make?
- Could you create a seaside themed plate of food for a treat?

- What is happening in the picture?
- What do you think happened to Dad?
- How do you think Dad is feeling?
- How can you tell he might feel that way?
- What is the boy doing?
- How do you think he is feeling?
- What is in the boy's net?
- What do you think he will do with it?
- What is Mum doing?
- How do you think Mum feels?
- What do you think might happen next?
